

# RANIA ABD AL SALAM ABO ALENEEN

INFORMATIONSARKITEKT

## PERSONAL PROFILE

I am an information architect with a genuine interest in web design and design. I am convinced that an organized and well performed design creates a good user experience. Ever since I was young, I have been eager to learn and always looking for new challenges.

## LANGUAGE

- Arabic (mother tongue)
- Swedish (very good at speaking and good at writing)
- English
